

NEBOSH Health & Safety at Work Qualification

NOW AVAILABLE IN INDONESIA - BANDUNG

A health and safety course and qualification - for everyone

NEBOSH Health and Safety Work Qualification - A perfect introduction to Health & Safety

This introductory qualification provides a basic understanding of the management of health and safety. It improves the safety culture in your organization, by equipping your workforce to identify and deal with hazards at work - reducing accidents, doing jobs more efficiently, saving time and money. The qualification is designed to meet the needs of an international audience.

Who should attend?

The qualification isn't specifically for health and safety professionals. It is for personnel of all levels within an organization across all industry sectors who need to understand the principles of health and safety - Everyone is responsible for health and safety.

What are the benefits?

NEBOSH Health and Safety at Work Qualification proves that you have an essential skill for the modern workplace. This is an ideal first step towards other higher level NEBOSH qualifications. Organizations who seek to implement a basic health and safety training program, thereby ensure employees have an understanding of the principles of risk control so as to reduce the number of accidents and incidents resulting in cost saving for the business.

Course Content

The 3 day course covers risk assessments and ways to control common workplace hazards such as fire, lifting and carrying, work equipment, electrics, hazardous substances and transport.

How is it assessed?

Candidates will be assessed through a multiple choice examination & a practical risk assessment.

COURSE DATES AVAILABLE: 24 - 26 Nov 2010 / 15 - 17 Dec 2010

COST : USD\$1,500

VENUE : SHERATON BANDUNG HOTEL & TOWER
