Course Synopsis

Poor Warehousing Management leads to tremendous waste of capital and resources, high cycle time, bottleneck of operation process, which all leads to high operational cost. With Warehouse Operation Best Practice, a company will achieve strategic competitive advantage and also optimise cost to shorten the Cycle Time.

For professionals attaining CWDP Certification from PASAS has demonstrated his learning capacity, industry Best Practice knowledge, experience, and set competency needed to excel in the Warehousing and Distribution environment by meeting PASAS' standard that are accepted by various Local and Multi-National Companies and will add value to their company. CWDP Certification and other Supply Chain Certification by PASAS Singapore are recognised by various multi-national corporations and endorsed by European Council of Leading Business Schools (ECLBS).

THE CERTIFIED WAREHOUSE AND DISTRIBUTION PERSONNEL (CWDP) OBJECTIVES:

- Understand Purchasing Warehousing and Distribution Practice processes
- Improve Cycle Time effectiveness and efficiency
