Benefits for Companies in attending Training NEBOSH:

In today's working environment 'Safety' plays a key role in the success of any company. The NEBOSH International General Certificate provides a means to improve the safety awareness of company employees, particularly those involved with operations or directly related to safety. The full time training NEBOSH offered by Phitagoras allows for personnel to be able to dedicate their time to the syllabus and course information and is suited for full time company employees or individuals.

Who Should Attend this training NEBOSH ?

The Training NEBOSH International General Certificate in Occupational Safety & Health is for personnel with health & safety responsibilities e.g. managers, supervisors, safety officers, non-safety specialists etc & who need a grounding & recognised qualification in occupational safety & health. It is also beneficial for those wanting to further their career in the HSE field or those who wish to enhance their HSE knowledge

Training NEBOSH Assessment and Certification

Candidates are assessed by a 2 part written examination and a practical health & safety assessment of a work place situation. Each exam is 2 hours in duration.

Pre-Requisites:

It is recommended that candidates have a level 2 qualification and/or practical safety experience.
The course has two Units IGC 1 and IGC 2 studied over 10 days – Monday to Friday. The two written examinations will be held on the last Saturday.
The IGC 3 practical examination will be completed by candidates within 14 days of their examination on their work premises.

For the IGC courses you need to inform the candidate that

"it is a level 6 qualification on the Scottish Framework scale which is similar to a HNC and that we strongly recommend that candidates have the HSW (equivalent) before attending or practical safety work experience. This course is intensive over 5 days and will require candidate to undertake pre-learning and evening homework"

Training Investment :

USD \$2775.00 (Course Fees)
USD \$0.00 (Registration Fees)
USD \$315.00 (Exam Fees)
= USD \$ 3090.00

The Fee Includes:
