

Internal Quality Control Program in the Laboratory

Quality Control in the Laboratory

Jakarta, 10 – 11 Februari 2015
Jakarta, 4 – 5 Juni 2015
Jakarta, 10 – 11 Desember 2015

Globalization drags all business sectors into a very tight competition, resulting in the improvement of quality of products and services. Only the ones that have a competent laboratory applying a good and systematic quality control process can survive against this competition. We are eager to share experiences by helping industries, organization, government institution, laboratory and other business sectors understand and implement activities in maintaining the competence & quality of their testing laboratory

OBJECTIVE TRAINING QUALITY CONTROL LABORATORY
